

# RETURN TO SENDER®

Avoid receiving junk mail and unsolicited advertising, and return previous occupier's post. A unique and simple way to help keep your property eco-friendly.

## Your 'Addressee has moved' Stamper

will help you reduce the flow of post addressed to previous occupiers mailed to your property, avoiding paper build-up and fire hazards. It will also help prevent identity fraud.

## Your 'No Junk Mail' Stamper

Simply stamp unwanted post and junk mail with this stamper and send mail back by post, reducing significantly the amount of post and waste being delivered to your property.

## Your 'No Junk Mail' Stickers

will help eliminate junk mail from your tenanted property by informing the postman of your preferences. Stop the flow of junk mail and unsolicited advertising, reducing waste and possible fire hazards.

Be responsible, use **RETURN TO SENDER®**  
An important contribution to help save our planet!

# RETURN TO SENDER®

## The Complete Postal Return System

### Landlord's Postal Pack

**RETURN TO SENDER®** is the most effective and reliable postal re-direction system.

Cross out a former tenant's name and address and stamp post with a **RETURN TO SENDER®** Stamper. Keep your post/letter box free of fire hazards and help the environment by reducing junk mail and returning unsolicited advertising today.

#### Help protect against identity theft

Unwanted mail exposes your past and present tenants to identity theft when it gets into the wrong hands.

#### Help the environment

Reduce paper consumption by not accepting unwanted mail, and get your previous tenant's name deleted from databases. Manufacturers of junk mail release massive amounts of unnecessary greenhouse gas emissions.

#### Help eliminate a fire hazard

Stop accumulation of unsolicited advertising and junk mail in your tenanted property.

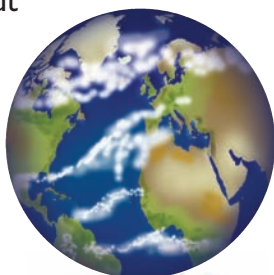

It is the responsibility of everyone to do their part in protecting the environment. Do your part to stamp out junk mail and return unwanted post today.

There are many reasons to use  
**RETURN TO SENDER®**

Help the environment

Reduce paper consumption

Help reduce global  
deforestation

### HOW TO USE

#### 'No Junk Mail' Stickers

Place the sticker next to your post/letter box to give the person posting a clear message: 'Please, No Junk Mail or Unwanted Advertisements'

#### The 'Addressee has moved' Stamper

Cross out your previous tenant's name and address and stamp post with this stamper to send it back. This will reduce the flow of post to your property, avoiding build-up and possible fire hazards. It will also help prevent identity fraud.

#### The 'No Junk Mail' Stamper

Simply cross out name and address on unwanted junk mail and stamp items with this stamper to send it back in the post. This will reduce the amount of paper and waste being brought to your property and will get names off databases.
